## M-1 Rural Pathways Application Form

Revised 10-06

The Trover Campus is based in Madisonville, Kentucky and is designed to accommodate 10-12 third year and 10-12 fourth year students for their clinical rotations. Trover students will reside in Madisonville for these two years. Successful candidates will have demonstrated interest in and appropriate preparation for community-based clinical training. The M-1 Pathways program serves as an introduction to this campus and a learning opportunity in Rural Health.
